From the dark end of the street,
To the bright side of the road
We’ll be lovers once again
On the bright side of the road

Little darlin’ come with me
You can help me share my load
From the dark end of the street
To the bright side of the road

And into this life we’re born
Baby, sometimes, sometimes we don’t know why
And times it goes by so fast
In the twinkling of an eye

Let’s enjoy it while we can (let’s enjoy it while we can)
You can help me share my load (help me share my load)
From the dark end of the street
To the bright side of the road

Cricket! (instrumental harmonica)

Yeah, into this life we’re born
Baby, sometimes, baby, sometimes we don’t know why, don’t know
And it seems to go by so fast
In the twinkling of an eye

Let’s enjoy it while we can (let’s enjoy it while we can)
Help me sing my song (help me sing my song)
Little darlin’ come along
To the bright side of the road

From a dark and lonely street (from a dark and lonely street)
To the bright side of the road (to the bright side of the road)
Little darlin’ come along
On the bright side of the road

One more time...

From a dark and lonely street (from a dark and lonely street)
To the bright side of the road (to the bright side of the road)
We’ll be lovers once again
On the bright side of the road

Well, we’ll be, be lovers once again
On the bright side of the road....
