Sparx is an American musical band of Latin origin. The band is composed of the four Sanchez sisters Veronica, Rosamaria, Kristyna and Carolina. They come from a musical family: their father Amador Sanchez was a songwriter and record producer, their mother Gloria Pohl was a vocalist who recorded 2 albums, their grandmother was a concert producer, their uncle was the leader of a band etc. After a childhood career in the 1980s they found fame in the 1990s in Mexico and most Latin American countries in addition to success in the United States. They recorded a variety of styles of songs including pop songs as well as Latin classics, cumbias, ballads and boleros. Their brother is also a renowned singing artist and together they published joint albums as “Lorenzo Antonio y Sparx”
