Leroy, The Redneck Reindeer

*Well, you've all heard about Rudolph and his nose,
But I'll tell you a Christmas tale that never has been told.*

Well, you may think you've heard it all but you ain't heard yet.

About that crazy Christmas that the North pole can't forget.

*Rudolph was under the weather, he had to call in sick,
So he got on the horn to his cousin Leroy, who lived out in the sticks.
He said: "Santa's really counting on me and I hate to pass the buck."
Leroy said "Hey I'm on my way," and he jumped in his pick-up truck.*

*When Leroy got to the North Pole all the reindeer snickered and laughed.
They'd never seen a deer in overalls and a John Deere Tractor hat.
But Santa stepped in and said: "Just calm down cause we've all got a job to do.
"And like it or not, Leroy's in charge, and he's gonna be leading you."*

*And it was Leroy, the red neck reindeer,
Hooked to the front of the sleigh.
Delivering toys to all the good ole boys and girls along the way.
He's just a down home party animal, two-stepping across the sky.
He mixed jingle bells with a rebel yell, and made history that night.*

*Before that night was over, Leroy had changed their tune.
He had them scootin' a hoof on every single roof, by the light of a neon moon.
Santa wrapped his bag with a Dixie flag, he was having the time of his life.
And you can hear him call Merry Christmas y'all, and to all of y'all a good night.*

*And it was Leroy, the red neck reindeer,
Hooked to the front of the sleigh.
Delivering toys to all the good ole boys and girls along the way.
He's just a down home party animal, two-stepping across the sky.
He mixed jingle bells with a rebel yell, and made history that night.*
