- 1 [Start Shoulder to Shoulder w/Close/Point] Rk fwd R diag wall and lod to momentary bfly bjo position, rec L to bfly wall, close/point L to LOD,-;

*Revision #1 – Revised Part B only for ease of cueing & added a music note and revised ending. Music Note – This music was downloaded from Amazon but the name is Carnival The Shadow of Your Smile with a length of 2:44. The Roper record is too long. This is the only source of this exact music we could find.
